Grilling & Finishing Sauce

Our Grilling & Finishing Sauce is something the entire family can enjoy. Our version of Bourbon Chicken has been a customer favorite for years. While we promote grilling, try it at home off the grill, from the oven or even the skillet. You cannot go wrong preparing any meal! However, we suggest that you wait to the end of the cooking process before adding our sauce to your favorite dish.

Our customers have come up with a few additional serving suggestions. They find the Grilling and Finishing Sauce is so tasty and versatile that you will have a great time discovering your own family favorite meals!
